A great champagne is first and foremost a great wine.

This is the challenge that drives Maison Delamotte and its sister house, the mythical Champagne Salon, both of which are located in Le Mesnil-sur-Oger, one of the most prized Grand Cru villages of the Côte des Blancs.

Maison Delamotte's history stretches back over 250 years. It was founded in 1760 by vineyard owner François Delamotte, and as such is the fifth oldest champagne house.

Salon is a unique champagne. Defined by its singularity since the very beginning, this exceptional wine is the champagne of a single terroir - the Côte des Blancs; a single cru - Le Mesnil-sur-Oger; a single grape variety - Chardonnay; a single year - that of a great vintage; and of one man - Eugène-Aimé Salon.

Champagne Salon comes from a single hectare plot called 'the Salon garden' and nineteen other small plots in Le Mesnil-sur-Oger selected by Eugène-Aimé Salon at the beginning of the 20th century. The wines are aged in their cellars for an average of ten years, after which they finally start to reveal their complexity and finesse.

*R. López de Heredia*  
**VIÑA TONDONIA**

With a history dating back to 1877, four generations of the López de Heredia family have devoted themselves to producing exceptional and unique wines. Masterpieces which have achieved that which the founder of the company, Rafael López de Heredia y Landeta, defined in the late nineteenth century as the “Supreme Rioja”.

Vineyard care, a scrupulous selection of grapes, ageing in oak barrels in the heart of deep underground galleries, and the later ageing in bottles, all contribute to making these illustrious wines with their exceptional bouquet.

For over a century their emotions have been rooted in love and passion for the land and its harvest. They cherish their heritage, and this combination of love and the application of rigorous quality standards, have become their trademark and remains their maxim for today and the future.

From their beginning in 1982, Au Bon Climat winery was totally devoted to making classic, Burgundian-styled Chardonnay and Pinot Noir in Santa Barbara County. The convergence of cool, brisk Pacific air, marine-based soils, and east-west running valleys of the area provided an ideal place for growing exceptional grapes. Hence the name “Au Bon Climat,” the French idiom for “good place”.

Forty years later, the wines have earned a world-class reputation internationally. Jim Clendenen, “The Mind Behind” Au Bon Climat, set the objective and stayed true to its course. As the fads in California winemaking have come and gone, Au Bon Climat has maintained a laser focus in producing traditional, site-specific, nuanced, iconic wines.
